

Wimbledon Girls U11 – Swallows

This Wimbledon team took the home tournament by storm this weekend.

Played 5 games (10min games)

Won 5

Scored 12

Conceded 0

GK – Jacqui C, Annabel F, Katie H, Hattie W-T, Georgina S, Emma K, Izzy D and Alison B

The skill level all of these girls showed was well worth getting up early to see. They then used these skills to create space for themselves, so they could move the ball onto their team mates. The girls are running in front of the ball to create goal scoring opportunities and also beginning to move the ball around the back in order to transfer the ball across the pitch. The highlight of the morning was a 1-0 victory over the Surbiton A team, which Wimbledon truly deserved.

Keep up the good work Girls (and coaches!!!)
